

KYEM Earthquake Poster Contest Guidelines

As a part of the ***Earthquake Awareness & “ShakeOut”*** instructional unit , elementary students across Kentucky will create a classroom poster promoting earthquake awareness. A statewide winner will be selected from each grade level and each winner will receive a Apple iPod Shuffle from the **Kentucky Division of Emergency Management (KYEM)**. Winning posters will be displayed on KYEM’s website and used to promote Earthquake Awareness 2012.

MEMO: From Brig. Gen. John Heltzel, director Kentucky Division of Emergency Management

TO: All Kentucky elementary principals and teachers

RE: Winner Statewide Earthquake Awareness Poster Selection Guidelines

- Each school should select their best poster from the 3rd, 4th, and 5th grade classes
- All posters must be submitted by the school principal or lead teacher to the KYEM Earthquake Program Coordinator, David Davis, at david.davis45@us.army.mil
- All posters must be submitted digitally, either scanned or by photograph in: jpeg, gif or pdf format
- All posters **MUST** be submitted to KYEM by March 28, 2011 to be eligible
- All submissions must include the name of the school, name of student with his or her age, name of school principal and name of classroom teacher
- Winners from each statewide grade level will be notified by April 28, 2011
- Winning results will be posted on the KYEM Web site and announced in a statewide press release
- Winning posters will be used to promote Earthquake Awareness 2012
- Full details included in the ***Earthquake Awareness & “ShakeOut”*** instructional unit

To build earthquake awareness and preparedness the State of Kentucky will participate in the first multi-regional, national-level, earthquake exercise
May 16th -20th, 2011.

**February 2011
Kentucky
Earthquake
Awareness Month**
